

## OFFICE OF THE ATASCOSA COUNTY JUDGE WELDON P. CUDE

January 20th, 2025

### **Atascosa County Offices Closed Due to Inclement Weather**

To the Public of Atascosa County,

Due to the forecasted inclement weather and out of concern for everyone's safety, most county offices will be closed on January 21, 2025. This is to ensure that our employees stay safe and to reduce the risks of travel during the expected severe weather.

However, emergency services will remain open and fully operational. Our Law Enforcement, EMS, Fire Marshal & Emergency Management Office will continue to respond to emergencies and provide assistance as needed.

We encourage everyone to stay informed by checking the County's social media, the county website, and other communication channels for any updates.

Thank you for your understanding, and please stay safe. Your safety is our priority.

Sincerely,

A handwritten signature in cursive script, reading "Weldon P. Cude", is written over a horizontal line.
